

## TECHNICAL DATA SHEET

Revision date: 04.08.2022

# POWER GRIP GLOVES

**Article number:** 48904, 48905, 48906

**Colour:** orange

**General characteristics:** Power grip nitrile gloves are flexible, silicone-free, unpowdered, disposable nitrile gloves which prevent skin irritation. The gloves are solvent resistance and give optimal skin protection when handling chemicals. The gloves have a special diamond structure which gives an excellent grip, even on greasy or oily objects. The seamless fit is comfortable to wear and leave the fingers sensitive to touch which gives more precision for delicate work.

### Properties

- heavy-duty
- ultra strong
- grip wet, dry and oily
- extra thick

### Suitable for

- engineers
- painters
- general use
- mechanics

EN ISO 374-1:2016 tested
